## INPAWS MISSION

To promote the appreciation, preservation, conservation, scientific study, and use of plants native to Indiana and to teach people about their beauty, diversity, and importance to our environment

## WHO WE ARE

INPAWS members range from avid gardeners and amateur naturalists to professional educators and conservation officers—beginners or experts, we learn much from each other

## WE INVITE YOU TO JOIN US

Membership in INPAWS is your path to programs, hikes, plant sales, garden tours and resources that will enrich your enjoyment of Indiana's natural heritage

Begin the journey by joining today to learn about, explore, protect, and grow Indiana's native plants and help prepare the environmental stewards of tomorrow
