

Indiana Native Plant Society Logo Wear

Members can fly their INPS colors wherever they garden, shop, or socialize! It's easy to order just about any clothing item or accessory with the INPS logo. Visit the Indiana Native Plant Society e-store at [Lands' End Business Outfitters](#) or call 800-338-2000.

Here are the steps for online shopping:

1. Select a category to start shopping, or use the search tool. (Bypass the Sign In option the first time you use the e-store.)
2. Click on an item and choose color, size, and quantity.
3. Click Apply Logo. The logo application page appears. The logo adds approximately \$7 to your purchase.
4. Select the version of the logo you would like: For Dark Fabrics (white lettering) or For Light Fabrics (blue lettering). Then select where to place the logo and click Apply Logo.

5. Click Add to Bag. From there the checkout process is self-explanatory. Lands' End will set up an individual account for you and ask for your name, address, and email just as when you place a normal order.

Chapters or groups wanting to order together to save/share on shipping/handling can do so. They will need to use one credit card, and any returns will need to go back from the same address they were mailed to via the same credit card.
